Please indicate the layout & overall dimensions of your requirement.
If your layout is not shown here please sketch it (including as much information as possible) and send along with your contact details to:
Fax: **01535 630827** or Email: **sales@ukcubicles.co.uk**

If you are unsure what width to make the cubicles internally please use approx 850mm.
Or Call: **01535 602141** for more advice.

Spur shelf	
Handles	
Locks	
Trays	

General Notes:-

1. If mechanical and electrical works are allowed for on this contract, we base our works on the **strict proviso** that all final connections fall within 1 meter of the service outlet.
2. All isolation valves/pick up points for each service within the rooms, are by others and must meet all current regulations & bye laws.
3. The supply(s) are also to be adequate to feed/service the room requirements & any equipment within.
4. ***Do not scale from this drawing***
